What is ERPNext?

ERPNext is a comprehensive open-source ERP system.

It integrates all your core business functions into a single platform.

Modules include CRM, accounting, inventory, manufacturing, project management, and more.

The logo features the word "ERPNext" in a bold, blue, sans-serif font. It is centered within a large, white, rounded square that has a subtle drop shadow. The square is tilted slightly to the right. In the background, there are decorative elements: a dark purple circle in the top right corner, a maroon curved shape behind the top right of the white square, and a purple square behind the bottom left of the white square.

ERPNext
